

DAWNUNTILDUSK

BEFORE, AFTER SCHOOL & HOLIDAY CLUB

Welcome back!

We hope you all had a lovely break over the Easter Holidays.

We ran a holiday club at Shortstown Primary School over the holidays and had lots of fun. The children enjoyed a range of fun activities. We did some cookery and some art and craft sessions. We were also very lucky to have a visit from the Falconry Centre who brought some of their owls in for a visit. We had football coaching and the children enjoyed some drama activities with a student from Bedford College.

This Term

We have lots planned over the next seven weeks at all our clubs. The children will be taking part in theme weeks across our clubs starting with Animal week. We will have a Royal birthday week to celebrate the Queen turning 90, the children will throw a party and play games. The children will also be learning about recycling and making their very own recycling robots, we will be doing some science experiments mixing colours and hopefully making some colourful lettuce leaves!

OUTSTANDING!!!!

We are incredibly proud and excited to tell you that three of our clubs have received a visit from Ofsted over the last month and have been judged to have outstanding overall effectiveness. Our club at Haynes was visited in March and then a week later our club at Shortstown was also inspected and a week after that our club at Lakeview had a visit! The inspector was very pleased with what she saw and stated that in all sites the children behaved extremely well and benefitted from the great staff we have in place and the many activities we offer. We are extremely pleased about this and very proud of all staff at the clubs who worked very hard to make this happen.

Invoices

Just a reminder to all our parents that invoices need to be paid on the 15th of every month. We do send regular invoices out to parents, this is so that you can keep an eye on your account with us and also to make sure that any extra sessions appear in the right month. Please do not hesitate to contact your club manager if you would like to discuss your invoice at any time.

Oral Health

We will be rotating some fantastic Oral health and dentistry equipment around all our clubs this term. We have been very lucky to have been given some equipment from Bedford Oral Health team, the children will be learning the importance of brushing their teeth twice daily and all about the effects that sugar and other foods can have on their teeth.

Meal Menu

We are always looking for ways to improve and keep the children happy whilst they are at our clubs and tea time is no exception. We would like to ask for parents/carers to contact us with any meal suggestions or ideas that they may have. The meals have to meet with the schools food standards. Any ideas would be greatly received.
