

# DAWNUNTILDUSK

BEFORE, AFTER SCHOOL & HOLIDAY CLUB

## Welcome back!

We hope you all had a good break and enjoyed the festive season.

We ran our holiday clubs over the holidays and had a great time. The children enjoyed taking part in lots of different activities. The children had fun making Christmas wreaths, stockings and reindeer tree decorations in our creation area. We did some fantastic forest school activities, making hot chocolate using the Kelly kettle and lighting fires. The children also had great fun playing with our snow machine outside. It was a great break!

## Announcements

We are very pleased to announce the opening of 3 new sites this term. We have opened new clubs at Bedford Road Lower School and Shillington Lower School in January. We are due to open a new club at Pulloxhill after the half term in February 2017. We would like to extend a big welcome to all our new families. This means we will have 18 sites in total running throughout Bedfordshire and Cambridgeshire. We are very grateful to all the support we receive from all of you. We have also taken on some new staff to run these clubs and are very excited about building our new teams and our new clubs.

## Events this term.

You may see from our planning that we have lots of exciting events coming up this term. The children will take part in an Ice and Snow theme week at the beginning of term. They will be having fun with ice and exploring how it melts. We will be having a Super Science week where the children will take part in some experiments, making elephant toothpaste and putting together their own lava lamp. Towards the end of term the children will take part in some Chinese writing and painting theme weeks. They will look at Chinese writing and different sorts of painting styles as well as making their own Chinese dragons. We are looking forward to all the fun this term. As well as our themed weeks we will be running our usual theme nights at our clubs. Please contact your club manager for more details.

## To contact us:

Listed below are the contact numbers for each of our clubs. Please be advised the clubs may not answer during the day but if you leave a message they will get back to you as soon as possible.

## Payment Options

Just a reminder to you all that we accept childcare vouchers from all different companies and if we are not registered with the company you use, we can try our best to set up an account.

Childcare vouchers help working parents afford quality childcare. Parents can save a lot of money on their childcare by using vouchers to pay instead of cash and your allowance can be doubled if your partner is eligible too. Childcare vouchers are available to use for children up to the age of 15. They can be saved up to use when you need them, for instance for school holiday care.

Information can be found by visiting the site below or your employer should have information available that is relevant to your provider.
